VALUE - LOVE

8th September 2017

Welcome Back!

Dear Families,

Firstly, I would just like to thank you all for the warm welcome that you have given me since I arrived as Headteacher at St Giles.

After a week, I already feel at home and have enjoyed every second of my time in school. We are very lucky to have an amazing group of staff and children that make St Giles the great school it is.

As a parent myself, I understand how difficult it can be to schedule work around school and also how important it is for you to see your 'little ones' when they are taking part in important events during the school year. As a staff we have put together all the dates for the coming school year that you would need to be aware of, so you can add them to your calendar today. (Dates attached).

There will be additional dates, such as parent's evenings, educational visits etc. that will be added as the year continues.

Have a great weekend!

Mr Grace

Parking

Like the majority of schools in the area, we have issues around parking at drop off and pick up times for our pupils. We are very lucky to have Mr Griffiths and Miss Henderson to ensure that your children are safe as they leave school. We also have 'Park & Stride' permits in the office that allow you to use the Morrisons car park for free. Please continue to be patient and courteous thank you.

Summer 2018

End of term – Friday 27th July 2018

It has been brought to my attention that a previous school calendar provided to parents did not compensate for the additional weeks holiday taken at Spring Bank. Please take note of the actual end of term above. If you have already booked a holiday based on the school closing on the 20th July, we will authorise the absence if you can confirm that the holiday was booked before today!

Sorry for the confusion and thank you for your support!
