VALUE – CO-OPERATION

3rd November 2017

Co-operation

‘Love thy neighbour’

I hope you all had a lovely half term break – it certainly went very quickly but it was great to spend some quality time with my family and friends.

This half term the whole school value is co-operation. This is one of the most important Christian values that ensure our children have a successful and happy experience at school.

During this term we will be looking at the relationships we have with each other within the school family of St Giles and how we co-operate with each other.

In the holidays I received a letter from the Pontefract Food Bank thanking you all for the generous donations you made at the harvest festival. Thank you all again for your support.

Have a lovely ‘bonfire’ weekend,

Mr Grace

Update to contact details

You will all shortly be receiving a letter requesting your contact details. It is vitally important that your contact details are correct and up to date just in case we need to contact you in an emergency. Please you can ensure these letters are returned to school as soon as possible. Thank you.

Bonfire Night

Bonfires and firework displays are lots of fun, but fire and fireworks can be really dangerous if you don't use them properly.

Please make sure that you all stay safe this weekend and follow the firework safety code. We will be talking to our children in class about how to stay safe too!

Enjoy your night!
